Good morning,

There was a vehicle accident overnight in Seneca, S.C. that destroyed a double high pressure stand. Our service tech was able to secure the screen for safety within a few minutes after arrival. The customers that were off included 5 restaurants and a hotel. Construction arrived and replaced the stand and all customers service was restored. I will follow up as soon as I have more details, but I'm sure it will exceed the \$5000 threshold.

Regards,
